Select Breeders Service, Inc.

1088 Nesbitt Road

Colora, MD 21917

Tel: 877 658-3328, Fax 410 659-3329

Los Alamos Dressage Center shall provide mare owner with Frozen Semen Shipment request forms and instructions upon receipt of this signed agreement together with the booking fee. Select Breeders Services will ship frozen semen together with instructions and will be available for technical consultations with your veterinarian as needed.

LIVE FOAL GUARANTEE (FRESH COOLED SEMEN)

In the event that the mare should not conceive during the 20__ breeding season, or if the foal fails to stand and nurse unattended AND Los Alamos Dressage Center. **is notified within 48 hours of the foal's death**, the mare may be rebred the following year. Mares requiring service the calendar year following the date of the contract are subject to a handling and office charge of \$200 plus semen collection and shipping expenses as outlined above.

Pregnancy status of each mare must be forwarded to Los Alamos within 30 days of the last breeding date. In the event said mare should produce a foal that fails to stand and nurse unattended, she will be entitled to free rebreeding the following year if and only if Los Alamos Dressage Center is notified within 48 hours of the foal's death. An official written statement of details by a certified veterinarian is then required within ten days. If such notification and statement are not received in a timely basis, the guarantee provided herein becomes null and void.

Should the selected stallion die or become unfit for service, this shall terminate the mare owner(s) right to return breeding by fresh cooled semen. However, frozen semen from the desired stallion may be used for return breeding(s) if so desired by the mare owner. .

In the event the mare should die or become unfit to deliver a live foal, a substitute mare may be accepted for rebreeding.

CONDITIONS FOR MARES BEING BRED WITH SHIPPED SEMEN

Mares should be cultured and checked by a Veterinarian to determine that breeding conditions are favorable.

Mares must be palpated by a Veterinarian to determine the approximate time of ovulation and Los Alamos must be notified at least 24 hours in advance of the date the semen is to be shipped. Mare owners are responsible for all collection fees and freight charges incurred.

A Passport will be issued with the first shipment of semen. It must be completed by the mare owner and his/her Veterinarian and returned at the end of the breeding season to Los Alamos.

TRANSFER OF BREEDING CONTRACT

This contract shall not be assigned or transferred by either party hereto without the consent of the other. If the mare is to be rebred and the mare owner fails to deliver her or to request shipped semen the following year, then any and all fees paid shall not be refundable and this contract is hereby canceled.

This contract and terms thereof shall be governed by the laws of the State of California and shall be binding upon the parties hereto, their representatives, heirs, successors or assigns.
